Re: Update from **BRAD PENN®** Technical Services Department

Dear **BRAD PENN®** Distributor:

Our commitment to notify our **BRAD PENN®** Distributors of industry related information led to this mailing.

Recently there have been updates made to the **BRAD PENN® Universal Tractor Fluid (#7352)** specification sheet. These changes are a direct result of our continuing effort to provide you with all the tools and information necessary to promote and sell our high quality product line. The following highlighted material reflects the changes made to the UTF data sheet available at [www.amref.com](http://www.amref.com):

**BRAD PENN® Universal Tractor Fluid (UTF)** is a premium multi-viscosity hydraulic /common sump fluid designed with high-quality paraffinic base oil and a performance proven additive system. It is formulated to meet /exceed the requirements of agricultural, construction and forest products equipment such as John Deere, Case IH, Massey-Ferguson, Ford New Holland, Kubota, Deutz-Allis, Versatile, Heston Fiat, Oliver, White Farms, Steiger, Landini, International Harvester, McCormick Farmall, Minneapolis-Moline, Allis Chalmers, Volvo (VCE), Caterpillar (TO-2), Dresser Construction and others where a single fluid is used to lubricate hydrostatic drives, mechanical transmissions, wet brakes, gear drives and axles, power take-offs (PTO) and power steering mechanisms.

**BRAD PENN® Universal Tractor Fluid (UTF)** is not suitable for use in applications requiring STOU (Super Tractor Oil Universal) oils.

**BRAD PENN® Universal Tractor Fluid (UTF)** is suitable for use in a variety of tractor OEM equipment including: AGCO (Deutz-Allis) Power Fluid 821XL, Massey-Ferguson M-1127A/B, White Farm (Oliver) Q-1826 (HTF), J.I. Case MS-1207 (Hy-Tran Plus), MS-1206 (Powergard PTF), MS-1204, Ford/New Holland M2C134-D, Kubota UDT, John Deere J20C (Hyguard), Volvo WB 101 and Transmission OEM equipment including Caterpillar TO-2. In addition, it is suitable for use in Sperry Vickers, ABEX Dennison and Plessey Sunstrand hydraulic OEM equipment.

The American Refining Group, Inc. Technical Services Dept. encourages you to share this information with your sales force and customers. If you have any additional questions regarding the **BRAD PENN<sup>®</sup> Universal Tractor Fluid** or any other product in the **BRAD PENN<sup>®</sup>** line please feel free to contact your Regional Sales Managers or Technical Services.

Mr. Kenneth M. Tyger, OMA I
