

ARGuard™ RP 150 Rust Proofing Oil

PROD. CODE
9001

ARGuard™ RP 150 Rust Proofing Oil is a solvent based rust preventative coating that leaves a very light, oily film on the protected surfaces. It provides corrosion protection against aggressive environments such as airborne salts, high humidity and high temperatures.

FEATURES & BENEFITS

- Easy to apply
- Designed to displace water
- Neutralizes acids left from fingerprints, helping to prevent staining

APPLICATIONS

ARGuard™ RP 150 Rust Proofing Oil is ideally suited for steel sheeting, bearings and other machined parts, and transient rust protection between machining operations.

ARGuard™ RP 150 Rust Proofing Oil is typically applied to a clean surface to provide maximum protection. Dipping is the most effective method of application, in which excess product should be allowed to drain off. May also be applied by brushing or spraying. Complete coverage is essential.

METHOD	DESCRIPTION	TYPICAL
	LBS/GAL	6.615
D4052	API GRAVITY	46.6
D445	VISCOSITY @ 40 °C, cSt	1.7
	ODOR	SLIGHT OIL OF WINTERGREEN
D5949	POUR POINT, °C	-81
D6481	CALCIUM	0.046
D56	FLASH POINT, TAG, °F	114
